GENERAL NOTES

- This Control Survey Diagram is for the use of the Colorado Department of Transportation. This survey is NOT a complete Land or Right of Way survey, nor is the Control Diagram Sheet a Land or Right of Way Survey Plat.
 - The Control Survey represented by this Control Survey Diagram meets Colorado Department of Transportation minimum horizontal control tolerances for a type B Survey (+/- 0.25' at a 95% level of certainty).
 - All coordinates listed are based on G.P.S. observations taken in January of 2003.
 - No guarantee as to the accuracy of the information contained herein is implied or expressed unless this copy bears an original signature and seal of the Professional Land Surveyor certifying this Survey Control Diagram.
- NOTICE: According to Colorado Law you must commence any legal action based upon any defect in this survey within three years after you first discover such defect in no event may any action based upon any defect in this survey be commenced more than ten years from the date of the certification shown herein.

BASIS OF BEARING

The basis of bearing for project reference is a line from NGS Control Monument FARLEY to CDDT Control Monument 3927 having a bearing of S 64° 21' 58" W at a distance of 3174.683 feet.
