GENERAL NOTES

1. This Right of Way Plan is not a complete boundary survey of all adjacent lands and is subject to the Department of Transportation, State of Colorado project.
2. Found and not monumented were marked with an iron spike of radius 0.75 feet with respect to controlling monuments of a 500 confidence level.
3. Measurements of distances obtained by transmittal of a radio frequency signal of 1000 MHz.
4. **NOTICE:** According to Colorado law you must commence any legal suit on this plan and must file this plan with the court within 90 days after the date of the survey. If you do not, you will be deemed to have accepted the plan as correct and you will be bound by the plan.
5. All right of way monuments are 100 survey control points.
6. All existing easements and rights and interests are shown and are not represented by the plan.
7. All easements shown are 100 survey control points.
8. No guarantee is made as to the accuracy of the information contained on the plan unless it is either stated or implied unless the copy bears an original signature of the registered and licensed surveyor.
