BASIS OF BEARINGS

BASIS OF BEARINGS: The bearings referenced on this survey can be determined from any monument set or found as shown on the Control Diagram Sheet. The basis of bearings for project reference is a line from the north 1/4 corner of Section 17, T.14S., R. 69W. 6th P.M. (an aluminum cap on a BLM standard pipe monument) and the south 1/4 corner of said Section 17 ( an aluminum cap on a BLM standard pipe monument), having a modified grid bearing of S.07° 52'55"E. a distance of 5101.22 feet. Based upon NAD 1983 (1992) State Plane Coordinates derived from Global Positioning Systems observations (Jan. 1994).

NOTICE: According to Colorado law you must commence any legal action based upon any defect in this survey within three years after you first discovered such defect. In no event, may any action based upon any defect in this survey be commenced more than ten years from the date of the certification shown hereon.

CERTIFICATION: The undersigned office surveyor hereby certifies that this right-of-way plan delineates the property acquired by the Colorado Department of Transportation under Project C 067A-004 and the undersigned field surveyor certifies that the property has been monumented as shown on the plan. This row-of-way plan is null and void unless it bears the original signatures and seals of the Professional Land Surveyors in responsible charge of the work.
