RE: recording information

Good Afternoon, Larry:

I have looked at microfilm until my eyes hurt and cannot find this project. I have the plans on FileNET, but no acquisition files to support the plans.

Maybe we don't own it.

I don't find any reference to a combined project, or that it was acquired under a different number, but that might be possible. Do you know if the local surveyor has any deeds for the adjoining property?

Doug

Doug,

Searching for recording information for:

Proj: C 08-0340-09

Parcel: 7, 8, 9

County: Mesa

Hwy: 340

A local surveyor has recovered recording information on the adjoining parcels, but could not find these. Those he found showed the Grantee as CDOH.
