GENERAL NOTES

- This Right of Way plan is not a complete boundary survey of all adjoining owners and is prepared for Colorado Department of Transportation purposes only.
- Survey Control Points set with a higher degree of accuracy than ROW Markers.
- NOTICE: According to Colorado law you must commence any legal action based upon any defect in this survey within three years after you first discover such defect. In no event, may any action based upon any defect in this survey be commenced more than ten years from the date of the certification shown hereon.
- All R.O.W. Markers set from survey control points.
- No warranty is implied or expressed unless this sheet bears the original signature and seal of the preparer.
- All coordinates listed are project coordinates only.
- Field survey control precision on more recent work is done to a higher degree of accuracy, however since the initial control was done to exceed 1:20,000 no greater accuracy can be expected from the later control.
- Memorandums of Ownership supplied by: CDOT Region 6 Right of Way agnts.
- BASIS OF BEARINGS: Astronomic bearing of N 88° 00' 18" W from CDOT control point "PLATTE" (#64) to CDOT control point 1-285 (501) was based on a Solar observation. "PLATTE" is in a cross "helf" 40' south of Hampden Ave. and 500' +/- west of South Platte River Dr. West, and OP 1-285 is 30' south of Hampden and 1425' west of point "PLATTE".
- The contract surveyor is to contact Reg. 6 R.O.W. with monument order 14 days prior to pick-up of all monuments required for the project.
