NOTES

1. According to Colorado law, you must commence any legal action based upon any defect in this survey within three years after you discover such defect. In no event may any action based upon any defect in this survey be commenced more than ten years after the date of the certificate shown hereon. (13-80-105 C.R.S.)
2. This Right-of-way Plan does not constitute a title search by King Surveyors, Inc. to determine ownership or easements of record. For all information regarding easements and title of records, King Surveyors, Inc. relied upon title commitments prepared by Stewart Title of Fort Collins to delineate the aforesaid information.
3. This Right-of-way Plan is for the use of Colorado Department of Transportation. This Right-of-way Plan is not a complete boundary survey and does not subdivide the land.
4. No guarantee as to the accuracy of the information contained on the attached drawings is either stated or implied unless this copy bears an original signature of the professional land surveyor hereon named.

GENERAL NOTES

1. This Right of Way plan is not a complete boundary survey of all adjoining owners and is prepared for Transportation Department purposes Only.
2. Survey Control Points set with a higher degree of accuracy than ROW Markers.
3. NOTICE: According to Colorado law you must commence any legal action based upon any defect in this survey within three years after you first discover such defect. In no event, may any action based upon any defect in this survey be commenced more than ten years from the date of the certification shown hereon.
4. All R.O.W. Markers set from survey control points.
5. All centerline and offset stationing is theoretical only and may not represent the centerline as constructed in the field. All stationing is approximate.
6. All coordinates listed are project coordinates only.
7. Field survey control precision computed to exceed CDOT Class B Survey.
8. Commitments for title insurance supplied by Land Title Guarantee Company:
