	STRUCTURE NOTATIONS CH'KD.		

Alignment and Grades as shown are subject to modifications during construction after approval by Denver Office.

can data shown on the plans is obtained from best available testing, laboratory information. This information is shown for convenience of the contractor and the Department does not guarantee the accuracy of these tests. If materials not conforming to the data on plans are encountered during construction the grading plan shown on plans will be modified where necessary to secure dense, stable embankments.

Timber Guard Posts are tabulated on sheet No. 3
